

VILLA PARIS

LUXURY RENTALS MARBELLA

As Audrey Hepburn once said, "Paris is always a good idea."

Villa Paris is a private 7 bedroomed property, set on a quiet road in Marbella's Golf Valley. A gleaming white villa with a separate guest house, surrounded by a carefully manicured lawn, idyllic swimming pool and resplendent patios. What a first impression! Inside, the standard of the interior is second-to-none. Divine king sized beds are draped in the finest quality linens and tasteful bathrooms provide relaxing sanctuaries to wash away all your cares. With 9 bathrooms in total, this property offers plenty of choice. The kitchen and lounge are decorated with a modern, minimalist style, and there is ample space to relax. The free-standing guest house is also home to a yoga studio and gym. The villa benefits from 24-hour security and is extremely private, providing an intimate setting for you and your guests.

DESCRIPTION

Why it's Got The Wow Factor

Is it the way the crisp white reflection of the veranda ripples beautifully in the pristine swimming pool? Or, is it the vast imposing layout with front line golf views that got us hooked? We are not sure. Certainly, you won't find another like this. Villa Paris will be hard to leave.

What's Close by?

Set in Marbella's golf valley, despite its secluded spot, the villa is very central. Villa Paris is minutes away from shops, restaurants, Puerto Banus and the beach. Marbella has over 20 golf courses, and the perfect climate to enjoy the sport. Further afield, Malaga is only 45 minutes away by car to the East, and the charming town of Estepona is 20 minutes to the West.
